

## OHZ no. 2 „Brokęcino-Bagnisko”

Total area of OHZ " Brokęcino Bagnisko" is about 10 thousand hectares. Within this place are areas, where a few year ago was a military training in Okonek. The varied terrain and the variety of natural forms gives great opportunities to conduct wildlife management.

Number of wild game in the OHZ is very large in 2023. Approximate number of big game is:

- 400 deer
- 600 roe deer
- 150 wild boar

In our hunting ground hunters may meet small game such as red foxes, badgers, marten, raccoon and birds (ducks, geese, pigeons and woodcocks).

With rare protected species are wolves and European bison whose presence indicates a natural hunting ground.

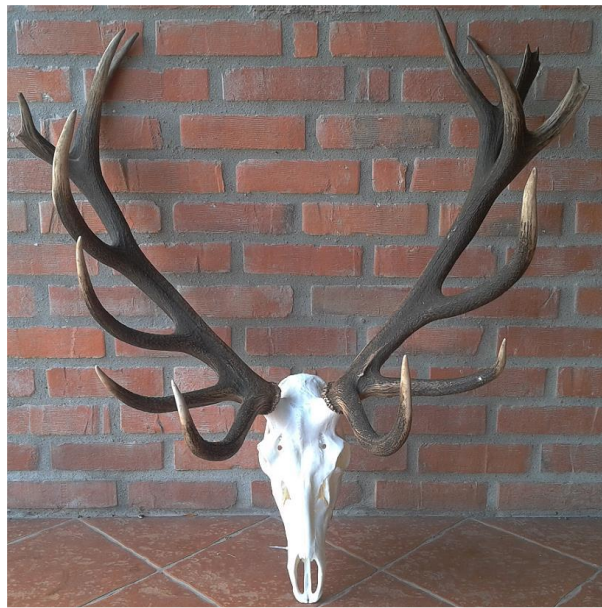

Forest District Okonek has the hunting office, which offer hunting for hunters both Polish and foreign.

If you want hunting in our hunting ground OHZ “Brokęcino-Bagnisko”, you are invited.
